- June 29-30** South Stokes Team Camp- Varsity Only- Free

We will also have open gym starting April 6 every Tuesday after school until the end of the school year. Then we will pick up with the summer schedule.

Participation in summer workouts is a vital part to the development of this program. While participation in these activities will not guarantee you a roster spot during try-outs, they can be very helpful in the development of your skills as a player and our team as a whole. **We will get out of the season what you put into the summer, good or bad.** “Hard work beats talent, when talent doesn’t work hard.” Be prepared to work.
