

POLICY IMPLEMENTATION

Development of Regulations

The superintendent is authorized to promulgate such regulations as may be necessary to carry out the policies adopted by the School Board. If Board action is required by law or the Board has specifically asked that certain types of regulations be approved by the Board, these regulations shall be forwarded to the Board for action. The superintendent shall provide copies of all regulations to School Board members and shall see that the regulations are placed in the School Board Policy Manual or are kept with the Policy Manual.

Review of Administrative Decisions

Matters regarding the management of the school division first shall be discussed with the proper administrator and may be brought before the board only after the matters have been reported to the superintendent. However, communications directed to the school board through the superintendent shall be presented by the superintendent to the board. Any employee or group of employees may at any time appeal a decision of the superintendent to the school board according to appeal policies adopted by the school board.
