

BUILDINGS AND GROUNDS MANAGEMENT AND MAINTENANCE

The superintendent will have the general responsibility for the care, custody, and safekeeping of all school property. The principal of each school will be responsible for the operation, supervision, care, and maintenance of the school facility.

Each school shall maintain documentation of any pesticide application that includes the target pest, the formulation applied, and the specific location of the application.

All employees of the school system shall be responsible for the security of the buildings, grounds, and equipment of the board.

The superintendent shall take appropriate action to insure adequate protection of school property by whatever means he deems appropriate including the use of state and county law enforcement agencies.

When, in the judgment of the superintendent, the cost and inconvenience of vandalism and theft justify a security system, the superintendent shall develop plans for the protection of school property and shall present these plans and their cost to the board for appropriate action.
