In Ireland on St. Patrick's Day, people traditionally wear a small bunch of shamrocks on their jackets or caps. Legend says that each leaf on the clover means something; the first is for hope, the second for faith, the third for love and the fourth for luck. One estimate suggests that there are about 10,000 regular three-leaf clovers for every lucky four-leaf clover. According to the Guinness Book of World Records, 14 is the highest number of leaves found on a clover.</p>
