

Reynolds Homestead offers a variety of camps to keep your child entertained and engaged throughout the summer. In addition to building friendships, our camps provide students with opportunities to cultivate leadership, explore STEM concepts, create art, explore engineering and investigate science. Our camps fill up fast so we urge you to register today! To receive a registration form for any of our camps please call Reynolds Homestead at 276-694-7181 ex. 27 or email Sarah Wray at wrayse88@vt.edu. We look forward to an exciting and fun-filled summer!

Call Reynolds Homestead today to receive a registration packet for upcoming summer camps. Be sure to ask about multi-child discounts!

Registration is required for all summer camps and reservations are confirmed once payment is received. All payments should be made prior to the camp start date. Our camps typically have a waiting list, if your plans change after registering your child, please let us know as soon as possible in order to ensure all spaces are filled! Please contact us with any additional questions!

June 25-27, ages 7-13. Camp Homestead will include a variety of interactive field games, STEM challenges and adventures on the grounds of Reynolds Homestead. Enjoy 3 days playing, exploring, building and enjoying all summer has to offer.

Field Games
Ultimate Challenges
Nature Adventures

Camp will be held June 25-27, 9am – 12pm. Snacks will be provided daily. Camp fee is \$35 per person, registration and payment is due June 15th.

Registration is required.

Please dress appropriately to the weather!

July 16-19, ages 7-12. Under the Sea art camp, led by art instructor Grace Helms will invite participants to explore beautiful colors and underwater creatures. Campers will create an underwater self-portrait, water themed art works inspired by artists such as Picasso, and create drawings that combine multiple sea animals. Watercolors will be used to create a seascape. Campers will build sculptures, dance, paint water with their toes (and with different rhythms) and express themselves!

Camp will be held July 16-19, 9am –12pm.

The week will culminate in an art show for parents & friends on Thursday July 19 noon until 1pm. Snacks will be provided daily. Camp is \$40 per person. Registration and payment due July 6. Registration is required.

Please dress appropriately for artistic messes.

July 23-25, ages 6-12. Space Camp is for children 6-12 years old. Search the mysteries of the universe and learn why astronomy is such a fast-paced, growing science. Each day we will investigate a different aspect of space using math, science, art and engineering to create a hands-on learning experience sure to please every budding explorer.

Camp will be held July 23-25, 9 am – 12pm. Snacks will be provided daily. Camp is \$35 per person.

Registration and payment due July 13th. Registration is required.
